GENERAL INFORMATION

Pacific Northwest Paralegal Association (PNPA) has four categories of membership – Regular, Associate, Student, and Sustaining. PNPA's fiscal year is from July 1 through June 30. Payment of dues must accompany this application (dues paid with applications submitted between January 1 and June 30 of any year are reduced by 50%).

The Standing Rules of PNPA provide that to continue membership in PNPA after the first full year of membership all regular and associate members must attend six hours of continuing legal education (CLE) each year and must submit proof of CLE attendance. Proof shall be on a Verification of Continuing Legal Education form provided by PNPA and the form must be submitted with the annual payment of dues. **However**, members who are Certified Legal Assistants (CLA), aka Certified Paralegals (CP), or Advanced Certified Paralegals (ACP) shall be exempt from this requirement so long as they submit a copy of the certificate showing their active status as a CLA, CP, ACP with their renewal each year.

Examples of qualifying legal-related activities include, but are not limited to, attendance or speaking at legal workshops, conferences, seminars, classes; sitting for the CLA/CP or a ACP examination of the National Association of Legal Assistants, Inc. (NALA); and participation in local or State Bar association activities. Two of the required CLE credit hours may be for non-legal, non-substantive seminars or activities (i.e., work-related training classes or seminars). CLE time is credited hour for hour, except attendance at PNPA Board Meetings will earn one credit hour per meeting, and sitting for a NALA Advanced Certification examination will earn 10 credit hours. Attendance at each activity must be verified in writing by a person other than the PNPA member to whom the CLE credit applies. A copy of the flyer, brochure, or announcement of the activity must accompany the form. The completed Verification of Continuing Legal Education form will be reviewed by PNPA's Membership Committee.

Student members are not required to meet CLE requirements. With application for membership or renewal of dues, student members shall provide proof of ongoing student enrollment in any university, college, junior college, or other educational institution with the equivalent of a minimum of six college credit hours per term. The curriculum need not be law related. Any student member who is unable to provide proof of qualifying enrollment may apply for associate membership, paying the difference between associate and student member dues. CLE requirements must then be met. Any student who is unable to provide proof of qualifying enrollment, and does not apply for associate membership, forfeits his or her membership.
